For Immediate Release
Contact Jeff Buell- 270-4554

(April 8, 2005- TROY)- Mayor Harry J Tutunjian announced Friday that City crews will be out in full force beginning Monday for the annual spring cleanup and pothole week.

For the next nine weeks, crews will be sweeping different areas of the City. The following is a list of reminders for residents in different areas of the City:

- Become aware of when your area will be cleaned. Check the schedule that will appear in the Troy Record every other Saturday, or check out the full 9-week schedule on the web at www.troyny.gov. Most importantly, residents are asked to move their cars when street sweeping is scheduled so that the street sweeper and DPW staff can properly clean the streets.
- Sweep or wash the sidewalks and rake your lawns before the sweepers come onto your street and, also sweep the dirt in the curbs and gutters into small piles to help facilitate easy pickup.
- Uncooperative car owners will have their vehicles towed at the owner's expense. All streets will be posted for "No Parking" as required. Please notify DPW (**274-TROY**) in advance if you know of any abandoned, unregistered or inoperative vehicles.
- Please take a few moments to clean your alley or back yard and cut down any weeds or brush. Please place the material in a biodegradable bag or bundle the brush to facilitate collection.
- Regular refuse collection will be done on a daily basis.

"In order to ensure this cleanup is extremely successful, we need the help of the residents," Tutunjian said. "If you see an abandoned car, call it in. Sweep up your yard a few days before the cleaning. Alert your neighbor to the sweepers if they forgot to move their car. This will be a team effort and through cooperation, we'll have the City sparkling again in no time."

Tutunjian also announced that from April 11th through April 15th there will be City crews out each day dedicated to filling potholes. If anyone in the City would like to report a pothole, please call the DPW garage at 270-4579.

"It was a long and wet winter, and there are numerous streets throughout the City that need a facelift," Tutunjian said. "Again, with the help of residents, we will be able to solve this problem a little easier."
